ANNOUNCES NEW VP STRATEGY AND ADVISORY SERVICES

ERIN HUTCHINSON

Minneapolis, MN, September 2014—Virtelligence, a client focused and results-driven leader in Healthcare and IT consulting, is proud to announce and welcome Erin Hutchinson as its new VP of Strategy.

Erin brings with her nearly 18 years of experience with the planning, implementation and optimization of Epic's enterprise product suite, having been involved with over 30 enterprise Epic Implementations by either leading or advising. Some of her expertise is found in Leadership Development, Methodology Creation, and Project & Program Management. She comes to us from Pursuit Healthcare Advisors.

Ms. Hutchinson holds a MA in Counseling Psychology from Goddard College, as well as a BA in Cultural Studies. She also holds several Epic Certifications. We are thrilled to welcome Erin as part of the Virtelligence team and look forward to a prosperous future with her.

"I joined Virtelligence out of my passion for helping consulting firms and their clients to succeed in a challenging market. As the VP of Strategy, I'm blessed with the opportunity to develop services that will be of the greatest benefit to our clients and help the company evolve its strategy to remain an important player in the healthcare IT consulting arena." **ERIN HUTCHINSON**
